DIRECTIONS

Mount Ceder is a 3-hour drive from Cape Town.

- From Cape Town - travel along the N1, through the Huguenot tunnel towards Worcester.
- Before reaching Worcester, turn left onto the R43 towards Ceres.
- Drive into Ceres and Take the R303 to Prince Alfred's Hamlet.
- Pass through Prince Alfred's Hamlet and drive up the Gydo pass.
- **At Op-die-Berg turn right** onto the R355 road to Kagga Kamma.
- **Where the tarmac ends, keep going straight on the gravel road.** Do not turn to Kagga Kamma but keep going straight into Cederberg. Follow this gravel road for about 34km and you will see Mount Ceder on your right.
- We are situated on a gravel road; the conditions may vary during seasons. Ensure that your vehicle is fitted with the necessary spare wheel equipment. In our rainy winter months, we would advise to phone ahead of your stay to ask about the current road conditions. All vehicles are welcomed, no need for a 4 x 4 vehicle. Driving time for smaller vehicles would be longer, please take that into account for your day planning.
